RSA 1955; 466:1

Every owner or keeper of a dog three months old or over shall annually on or before April 30 cause it to be registered, numbered, described and licensed for one year from the first day of the ensuing May, in the office of the clerk of the city or town wherein said dog is kept, and shall cause it to wear around its neck a collar distinctly marked with its registered number. Said tag shall be furnished by the clerk at the expense of the city or town from the amount received from dog license fees.

Legislative Acts 1965; 325:1-2

In addition to the license fee for dogs provided by this subdivision there shall be a charge of one dollar if said fee is not paid before the first of June in any year.

The mayor of each city and the selectmen of each town shall annually, within ten days from May first, issue a warrant to one or more officers or constables, directing them to proceed forthwith either to collect the fees due and pay them over to their respective town or city clerk, or to kill or cause to be killed all dogs within such city or town not licensed and collared according to the provisions of this chapter, and to enter complaint against the owners or keepers thereof; and any person may, and every police officer and constable shall, kill or cause to be killed all such dogs, whenever and wherever found.

RSA 1967; 442-A:2

Every dog three months of age and older shall be vaccinated against rabies. Young dogs shall be vaccinated within thirty days after they have reached three months of age. Unvaccinated dogs acquired or moved into the state must be vaccinated within thirty days after purchase or arrival, unless under three months of age, as specified above. Every dog shall be revaccinated at not more than twelve-month intervals with killed vaccine or thirty-six months chick embryo, LEP Flury Vaccine. In rabies infected areas, dogs recently vaccinated should be kept under control for at least thirty days before being allowed to run free.

442-A:8

The rabies control authority shall authorize a pound or pounds, or shall enter into a cooperative agreement with a licensed veterinarian for the establishment and operation of a pound. Any dog found off the owner's premises and not wearing a valid vaccination tag shall be impounded. All impounded dogs shall be given proper care and maintenance. Each impounded dog shall be kept and maintained at the pound for a minimum of ten days unless reclaimed earlier by the owner. Notice of impoundment of all animals, including any significant marks of identification, shall be posted at the pound as public notification of impoundment. Any unvaccinated dog may be reclaimed by its owner during the period of impoundment by payment of prescribed pound fees and complying with rabies vaccination requirement of this statute within seventy-two hours of release. Any vaccinated dog impounded because of lack of a rabies vaccination tag may be reclaimed by its owner by furnishing proof of rabies

vaccination and payment of all impounded fees prior to release. The impoundment fee shall not exceed two dollars per day. If the dog is unclaimed at the end of ten days, the rabies control authority may dispose of the dog in accordance with applicable laws or rules and regulations. If the animal is a stray the town will be responsible for the expense incurred.

466:1-a

Before a license is issued under the provisions of this subdivision, except under the provisions of Section 6, the owner or keeper of a dog shall furnish to the clerk a certification that said dog has been vaccinated against rabies in accordance with the provisions of RSA 442-A.

## THE CROYDON GOOD NEIGHBOR CLUB

---

The Croydon Good Neighbor Club has existed for approximately twenty-five years and is the only service organization in town with an adult membership. The activities of the club are many and varied. Every year the Good Neighbors sponsor the Christmas Tree Party at the Town Hall for children under thirteen years of age. At this time every child receives a gift, candy and oranges, in conjunction with which the Village School has a program which usually includes a play and the singing of Christmas Carols.

The annual bazaar which takes place the end of July is the club's major activity, the proceeds of which finance the organization's expenditures which include buying equipment and furnishings for the Town Hall and the Village School, which are not otherwise subsidized by taxes.

Gifts are purchased for all new born babies, and flowers, cards or gifts are sent to townspeople who are hospitalized or shut-in.

Thanksgiving baskets are sent to all of the Town's senior citizens and those who are staying at Safford's Rest Home in Croydon Flat.

Christmas Decorations in the form of wreaths are provided for the town buildings and the garden spot at the Croydon Flat sign on Route 10 is maintained by the club.

Food sales which are held during the year provide additional revenue. The largest of these is always held on Town Meeting Day when light lunches are made available to those who want them. Hot dogs and sandwiches, cookies and cakes provide the one special lunch during the year to the children at the Village School and is considered quite a treat by them.

The success of the Good Neighbor Club is, of course, dependent upon the cooperation of the people of the town. Whenever food or money is solicited, the results are more than gratifying to the members and encourages them to

continue their efforts on behalf of the town. The "Good Neighbors" would like to take this opportunity to extend to everyone in Croydon their heartfelt thanks for their help and support. The following six year financial report will give a fairly comprehensive accounting of the moneys spent by the organization and is published herein for the public's edification.

### **BROWNIE TROOP No. 34**

---

The Croydon Brownie Troop, Number 34, has been in existence now for two years. It was originated by Mrs. Edward Cowles in the fall of 1966 and she was assisted by Mrs. Jules Pellerin who took over the leadership of the troop after Mrs. Cowles moved from town in 1967. In their first year of existence this little group of little girls made their presence known at the Annual Court of Awards in Newport, N. H. by putting on an exhibition of a dance of the natives of Ceylon which was the best performance of any put on by the ten troops of Girl Scouts and Brownies that evening.

At the close of the school year they had a cook-out at Mt. Sunapee State Park with other Brownies from the area.

This year there are nine girls in Troop 34, and so far they have made tray favors for the Newport Hospital, made gifts for their families, gone to Manchester, N. H. to be guests of Uncle Gus television show, had a skating party and are making plans to visit the Benson Animal Farm in Hudson, N. H. — which was planned for last year, but because of extenuating circumstances was not possible. The nine girls that are in the troop represent the first three grades at the Village School.

Three of the girls from last year's troop are now Girl Scouts in a troop in Newport, and three more of this year's group will become Girl Scouts next year.

The troop membership includes Valerie Freak, Carole Sue Gross, Lois Ballard, Edna Moore, Terri Curtis, Saralynn Freak, Peggy Davidson, Julie Swenson and Darlene McGuire.

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

---

After several successive years of drought, the rains of 1967 came as a welcome change. Our record of the past fire season is good. Our thanks to all who contributed to achieve this good record. Continued improvement in the matter of accurate, prompt detection and rapid effective suppression action can help to maintain this good, worthwhile record even though we do not have an abundance of rain as in the fire season of 1967.

It will help if we follow these simple suggestions:

1. No burning of debris and waste between the hours of 9:00 A. M. and 5:00 P. M. and then only with a permit from the Forest Fire Warden.
  2. Take debris and waste to the town dump.
  3. Maintain a clean, safe dump.
  4. Keep matches away from young children.
  5. Be sure matches and smoking material are dead out when we discard them.
  6. Set a good example for others in fire prevention.

### LIBRARY TRUSTEES' REPORT

---

The Trustees of the Croydon Town Library express their appreciation to the Town for the \$300.00 raised last year. The operating expenses of \$33.00 and the Librarian's salary of \$175.00 were paid directly by the Town and the balance of \$92.00 was paid to the Library Trustees — \$50.00 for books and the balance of \$42.00 to use as needed.

With the State Aid credit of \$100.00 to be used for the purchase of reference books, plus the \$50.00 from the Town for books, we have ordered Compton's Pictured Encyclopedia, also Vanderbilt's Book of Etiquette. We hope the former will be of value to our students in Grammar School.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

To the Citizens of Croydon:

Mrs. Edith Fowle is again teaching Grades 1-3 with an enrollment of 24 pupils divided as follows:

Grade 1	6
Grade 2	8
Grade 3	10

Mrs. Fowle continues to do an excellent job in giving her pupils a solid foundation in the basic skills. We are fortunate to have her services. I am sure a word of appreciation from the parents would be in order.

### A R E A School District

Tuition Charge . . .

Under the Newport-Croydon A R E A School Plan, Croydon continues to pay the tuition fee in Grades 7-12 without a rental charge. This difference from the amount paid by other sending districts is as follows:

	1967-68		1968-69	
	(Grades 7 & 8)	(Grades 9-12)	(Grades 7 & 8)	(Grades 9-12)
Regular Tuition	\$410	\$551	\$420	\$570
Rental Charge	35	35	45	45
	<hr/>	<hr/>	<hr/>	<hr/>
	\$445	\$586	\$465	\$615
Tuition Rate for Croydon	\$410	\$551	\$420	\$570
Incentive Aid . . .				

The New Hampshire Statutes call for a payment to A R E A Schools of \$60 for a junior high student and \$75 for a senior high student. (The Newport-Croydon A R E A Plan calls for such money to be divided between the two Districts.) In the past, no money was ever appropriated by the State to pay this "incentive aid." However, the 1967 Legislature did provide a sum of money to partially implement this program. A technicality in the appropriation prevented A R E A schools from receiving this aid this year. It is expected that this 1967-68 allotment, estimated at \$600, and an additional allotment for 1968-69, estimated at \$1,000, will become available during the next budget.

### State Foundation Aid

Although you will be receiving some new funds from "incentive aid" under the A R E A Plan, the latest equalized valuation of Croydon has increased to the point that you are are not eligible for "foundation aid" in 1968-69.

According to figures from the Tax Commission, your equalized valuation increased from \$1,585,594 to \$2,274,134, an increase of 43.42%. This per cent of increase was considerably greater than the average throughout the State.

Since your number of **resident** students did not increase appreciably, the large boost in equalized valuation served to cut your eligibility to receive "foundation aid."

This is another example of a State Statute where insufficient funds are provided to fully implement a program.

Respectfully submitted,

GORDON B. FLINT

Superintendent of Schools
